

Ceaseless Creativity for a Sustainable World

DUO

2 Line Hand Labelling Systems

Accurate, in-line print

- With each turn, the unique stopper mechanism keeps characters in place, providing in-line print

Label roll protection cover

- Ensures that labels are always kept clean

Wide variety of layouts

- Wider choice of layouts to meet various application needs

Precise printbands

- Enhanced printout clarity

Easy media replacement

- Easy and simple operator use

Bold print model

- XL model for 1 line of extra bold characters

SATO's two-line labellers, the **DUO** series allow users to print up to a maximum of 20 alphanumeric characters on two lines.

Suitable for a wide-range of applications, the **DUO** is typically used for price-marking, product identification and control purposes.

Both the DUO16 and DUO20 provide up to two lines of machine print. While the DUO XL offers 1 line of extra large bold characters.
